Assignment: **\$**৭

Guidelines For Comprehension: -

1. Do not over-emphasize trivialities

Details are important but don't be obsessed with examples for cycles and so on. You just leading a look to one to complete full watter sellonsly and if you want, you can be done to get a hang of the main point and not the examples. Complete and the overall flow

I kindly request you to correct the current bill and issue a fresh bill for these three months. Otherwise please adjust the excess amount to be paid by me for the current wrong bill amount in the next month's bill payment. I have also captured a photo of the latest meterateading the beginning to be of the latest meterate and the month's bill amount in the next month's bill payment. I have also captured a photo of the latest meterateading that be current wrong bill amount in the next month's bill payment. I have also captured a photo of the latest meterateading that to verify the meter reading.

If is mention calculation leading the bassage that and then be safe and sending as the final reading details] instead of [mention reading details] in the passage. Focus only on the questions, and not on a

I investigated the matter from my side to find out the error. I was quite shocked to see the reading part of the last lifted months electricity bill. There seems to be amistake in the sepaing for the last intended to see the reading part of the last intended to see the reading part of the last intended to see the reading part of the last intended to see the reading part of the last intended to see the reading part of the last intended to see the reading part of the last intended to see the reading part of the last intended to see the reading part of the last intended to see the reading part of the last intended to see the reading part of the last intended to see the reading part of the last intended to see the reading part of the last intended to see the reading part of the last intended to see the reading part of the last intended to see the reading part of the last intended to see the reading part of the last intended to see the last intended t

My consumer Id is (consumer id no). Today I was shocked to receive the current electric bill no) for an amount of (total amount). My electricity bill amounts generally range between (2000) too (amount) pother bill amounts generally range between (2000) too (amount) pother bill amounts generally range between (2000) too (amount) pother bill amounts generally range between (2000) too (amount) pother bill attended in the same of the same

I beg to draw your kind and symbathetic attention to the following factor

in case of absolute necessity.

Respected sir,

6. Do not think the correct option would come from outside the passage

Any of the options that is out of scope is never the correct answer. The right also also always based on the information given within the passage. Do not focus on any of the options that distract you from the passage.
